

*A high quality  
siding solution for a  
variety of applications.*

Engineered to offer a beautiful style with superior performance, GrandBeam® offers you a look like no other. Whether you are remodeling or designing your dream home, adding a carport or a pavilion, a shed or an RV/Boat cover, GrandBeam brings a distinctive look and unparalleled quality to your project.

#### **GrandBeam finish:**

GrandBeam is finished with one of the finest paint systems in the industry — Enduracote®. Based on cutting edge technology, Enduracote offers superior durability, outstanding color retention, resistance to dirt accumulation and low maintenance performance year after year.

#### **GrandBeam® siding is backed by:**

- Lifetime film integrity warranty
- 30 year fade and chalk warranty
- 10 year edge rust warranty against acid rain
