

## INDUSTRY STANDARD FOR AGRICULTURAL & LIGHT COMMERCIAL PROJECTS

The Grandrib series is the benchmark in the industry, manufactured from the best structural steel available. With clean, traditional lines, the Grandrib series offers a visually appealing metal roofing and siding solution with superior durability, longevity and resistance to environmental elements.

### PROTECT YOUR ASSETS WITH CONDENSTOP®:

Fabral's factory-applied CondenStop® fleece stops condensation from forming by absorbing and storing water vapor that forms when the temperature of the metal roof drops below the dew point.
