RE: Fabral MSDS sheets

TO WHOM IT MAY CONCERN :

Fabral provides an "article" as defined in 29 CFR 1910.1200, which is exempt from the requirement to provide MSDS sheets. "Article" means a manufactured item: (i) which is formed to a specific shape or design during manufacturing; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use. As a result, there is nothing to report on an MSDS sheet and we are exempt from providing such sheets. No chemicals are release or can be spilled from our panels.

If I can be of further assistance, please let me know.

Sincerely,

FABRAL
A Euramax Company
